Postdoctoral Program Admissions

Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program’s policies on intern selection and practicum and academic preparation requirements:

We seek applicants interested in advanced training in academic, public-sector mental health. Our focus is on providing patient-centered care, education, and training informed by the Scientist-Practitioner model in an environment characterized by collaborative learning, scholarship, and diversity. Our training focuses on developing advanced competencies in clinical skill sets (psychotherapy, assessment, consultation, inter and multidisciplinary collaborations, etc.), research/scholarly activities, supervision/teaching/training, ethics, diversity, interpersonal and leadership skills, and metacompetencies within the auspices of a

Describe any other required minimum criteria used to screen applicants:

1. Completion of APA-accredited Ph.D. or Psy.D. program in Clinical or Counseling psychology. 2. Completion of APA-accredited internship. 3. Completion of all doctoral degree requirements, including the dissertation by August 31st of the year the postdoctoral residency program will begin. 4. Master's degree in Clinical or Counseling Psychology or a related Behavioral Science. 5. Eligible to work in the U.S. (we are unable to sponsor

Initial Post-Residency Positions

(Provide an Aggregated Tally for the Preceding 3 Cohorts)

	2013-2016	
Total # of residents who were in the 3 cohorts	32	
Total # of residents who remain in training in the residency program	0	
	PD	EP
Community mental health center	0	0
Federally qualified health center	0	0
Independent primary care facility/clinic	0	0
